M.+S. - MINING AND SURFACE RIGHTS

This map displays a section of a river basin, characterized by a network of waterways and a grid-based land management system. The primary waterway, the Sturgeon River, is shown with a thick line and a dashed centerline, indicating a navigable or managed channel. It is flanked by numerous smaller tributaries and lakes, including Little Lake, Big Dawson Lake, Little Dawson Lake, Hawkins L., Musca L., Pirum L., Carrigan L., Murray L., and Sandra L. The land is divided into sections, each identified by a unique alphanumeric code. These codes are organized into larger blocks, such as 1210365, 1217204, 1217205, 1217206, 1208016, 1208015, 1208011, 1208012, and 1208013. A scale bar at the bottom indicates distances from 0 to 5 miles. A north arrow is located in the bottom right corner.

NOTICE:
The information that appears on this map has been compiled from various sources and accuracy is not guaranteed.
