Bower Twp.

A detailed map showing a river system and surrounding land areas, likely a topographic or survey map. The map is divided into a grid of 10 columns by 8 rows.

- Rivers and Lakes:** The main river flows from Tom Lake in the south-central area, through Mory Lake and Alpine Lake, ending at the Winnipeg River on the right. A tributary, Gaffney, flows westward from Tom Lake. Other labeled bodies of water include Sak L. and Abnud L. in the upper-middle section.
- Railway:** An O.N. RY. railway line runs diagonally from the northwest towards the southeast.
- Landmarks and Labels:** WICKLOW is labeled twice: once near the top left and once near the bottom left. W.P.L. 103 is labeled multiple times along the right bank of the main river and its tributaries. The word TWO PINE is written vertically along the right edge. Homo Twp is written vertically along the left edge. Roman numerals I, II, III, IV, V, and VI are placed along the right edge, corresponding to vertical lines that divide the map into six sections.
- Scale:** A scale bar is located in the bottom right corner.
