This map is illustrative only. Do not rely on it as being a precise indicator of routes, locations of features, nor as a guide to navigation.

Only Ontario Crown land is included in this proposed provincial park. Where the boundary appears to overlap private land, Federal land, Indian Reserves, or existing Mining Act tenure, that portion of the site is not being regulated as a part of this provincial park. Consistent with the Ontario's Living Legacy Land Use Strategy however, should mining claims or leases within this area be retired in the future through normal processes, these claim or lease areas will be withdrawn and added to the provincial park.
