From Red River Road and Trans Canada highway Travel East on Trans Canada highway For 50.1 km THEN Turn left onto Road Number 5 North 0.3 km THEN Turn left onto Road North of Rail Road Track. Travel 1.7km turn left onto a bush Road leading to the Claim Units

Amythst veins are found near the out of sward lake
Quartz veins are found randomly through out the property on the hills above the creek south ward
No mineral showing as of yet in the veins.

The property has a reddish granite throughout meeting with Sibley sediments and a diabase rock.

Literature claims nearby of platinumium, and palladium were Recorded. Further exploration needs to be done for substantiation of this. Bruce Clemmons 2010
