Notes

AM Map was compiled upon airphoto–mosaic base.
CO Colour format.
DF Airborne geophysical survey data also available in digital format, obtainable from the contractor responsible; query Geophysics Section, OGS.
FL A smaller scaled map (usually 1:50 000) showing only flight lines and electromagnetic results, accompanies this map; it's free of charge.
ON Funded and/or authored by, and available from the Province of Ontario.

Notes

AM Map accompanies a report.
CO Colour format.
MO Monochrome format (black & white / red & white).
MZ Minor Mesozoic geology data included.
OC Funded and/or authored jointly by the governments of Canada and Ontario; available from either the Province of Ontario or the Geological Survey of Canada (or specified when a singular outlet).
ON Funded and/or authored by, and available from the Province of Ontario.
PR Minor Precambrian geology data included.
PZ Minor Paleozoic geology data included.
RT Topic is research oriented.
