Job: Aylmer

Date: November 8, 2016

Picked up Frank Moore and travelled up to Aylmer Township to prospect on claim 4216910. Gervais trucks hauling out wood. The wood piles were still smoldering despite the rain. Did some prospecting on the center of claim 4216910 along the strip cut by Gervais Lumber. Started to rain so we travelled around to the cut road on the south of the claim. They have still left the culvert in the road for access from the south

Preamble

We are continuing to prospect the central portion of claim 4216910 which has been strip cut by Gervais Lumber. It is very hard going with all the debris left behind. So far we have located very little bedrock and that being mainly grey wacke and a little quartz/quartz breccia. It is hoped to complete prospecting the clear cut before winter.
