

**WORK REPORT – CLAIM LINES RECUT
CARR TOWNSHIP
LARDER LAKE MINING DIVISION, ONTARIO
MINING CLAIM 3013196
NOVEMBER 2015**

PROPERTY LOCATION MAP

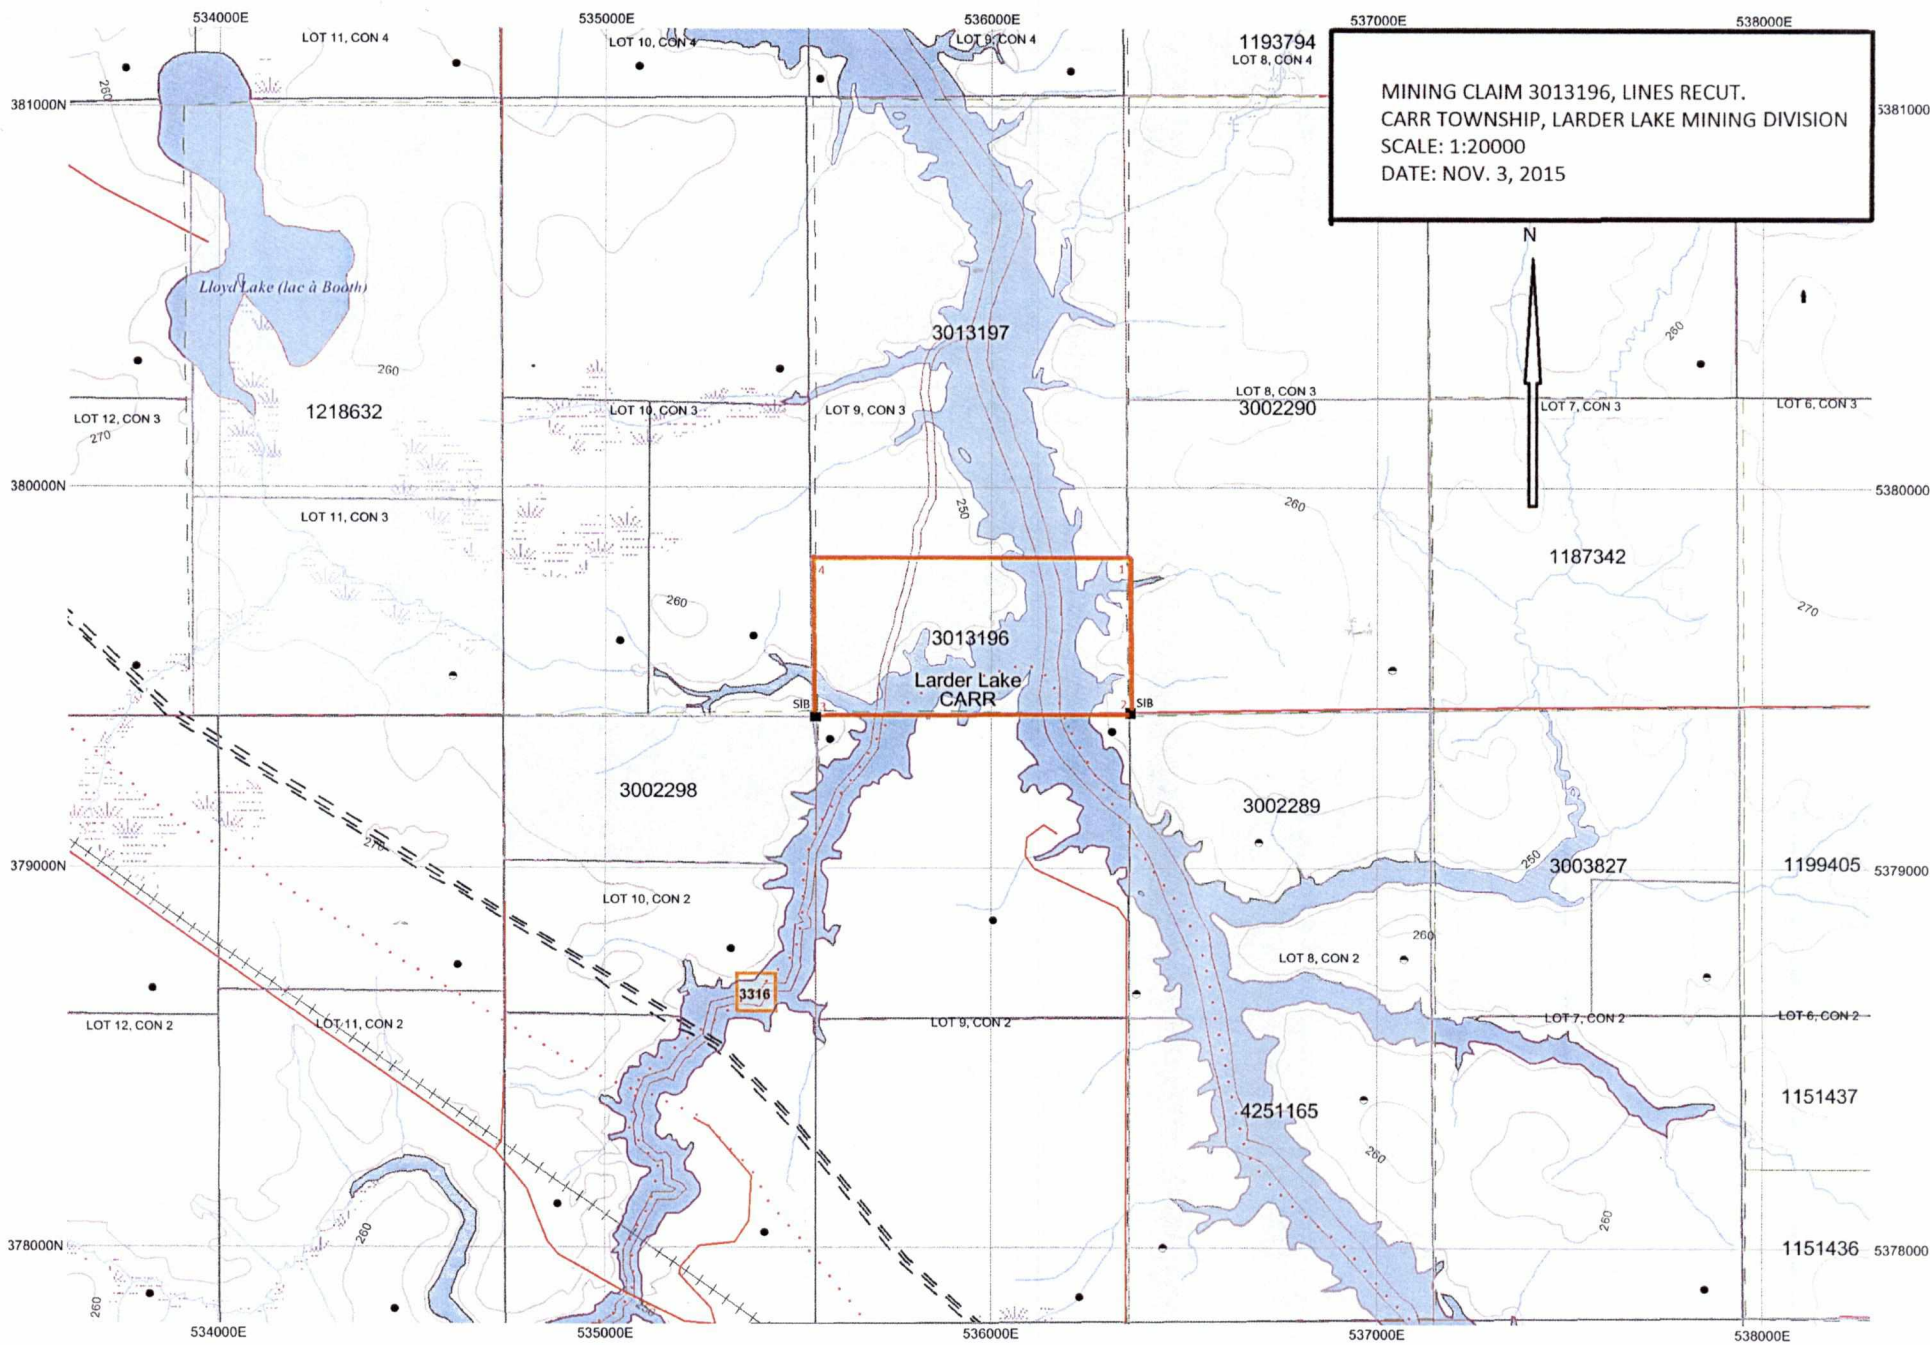

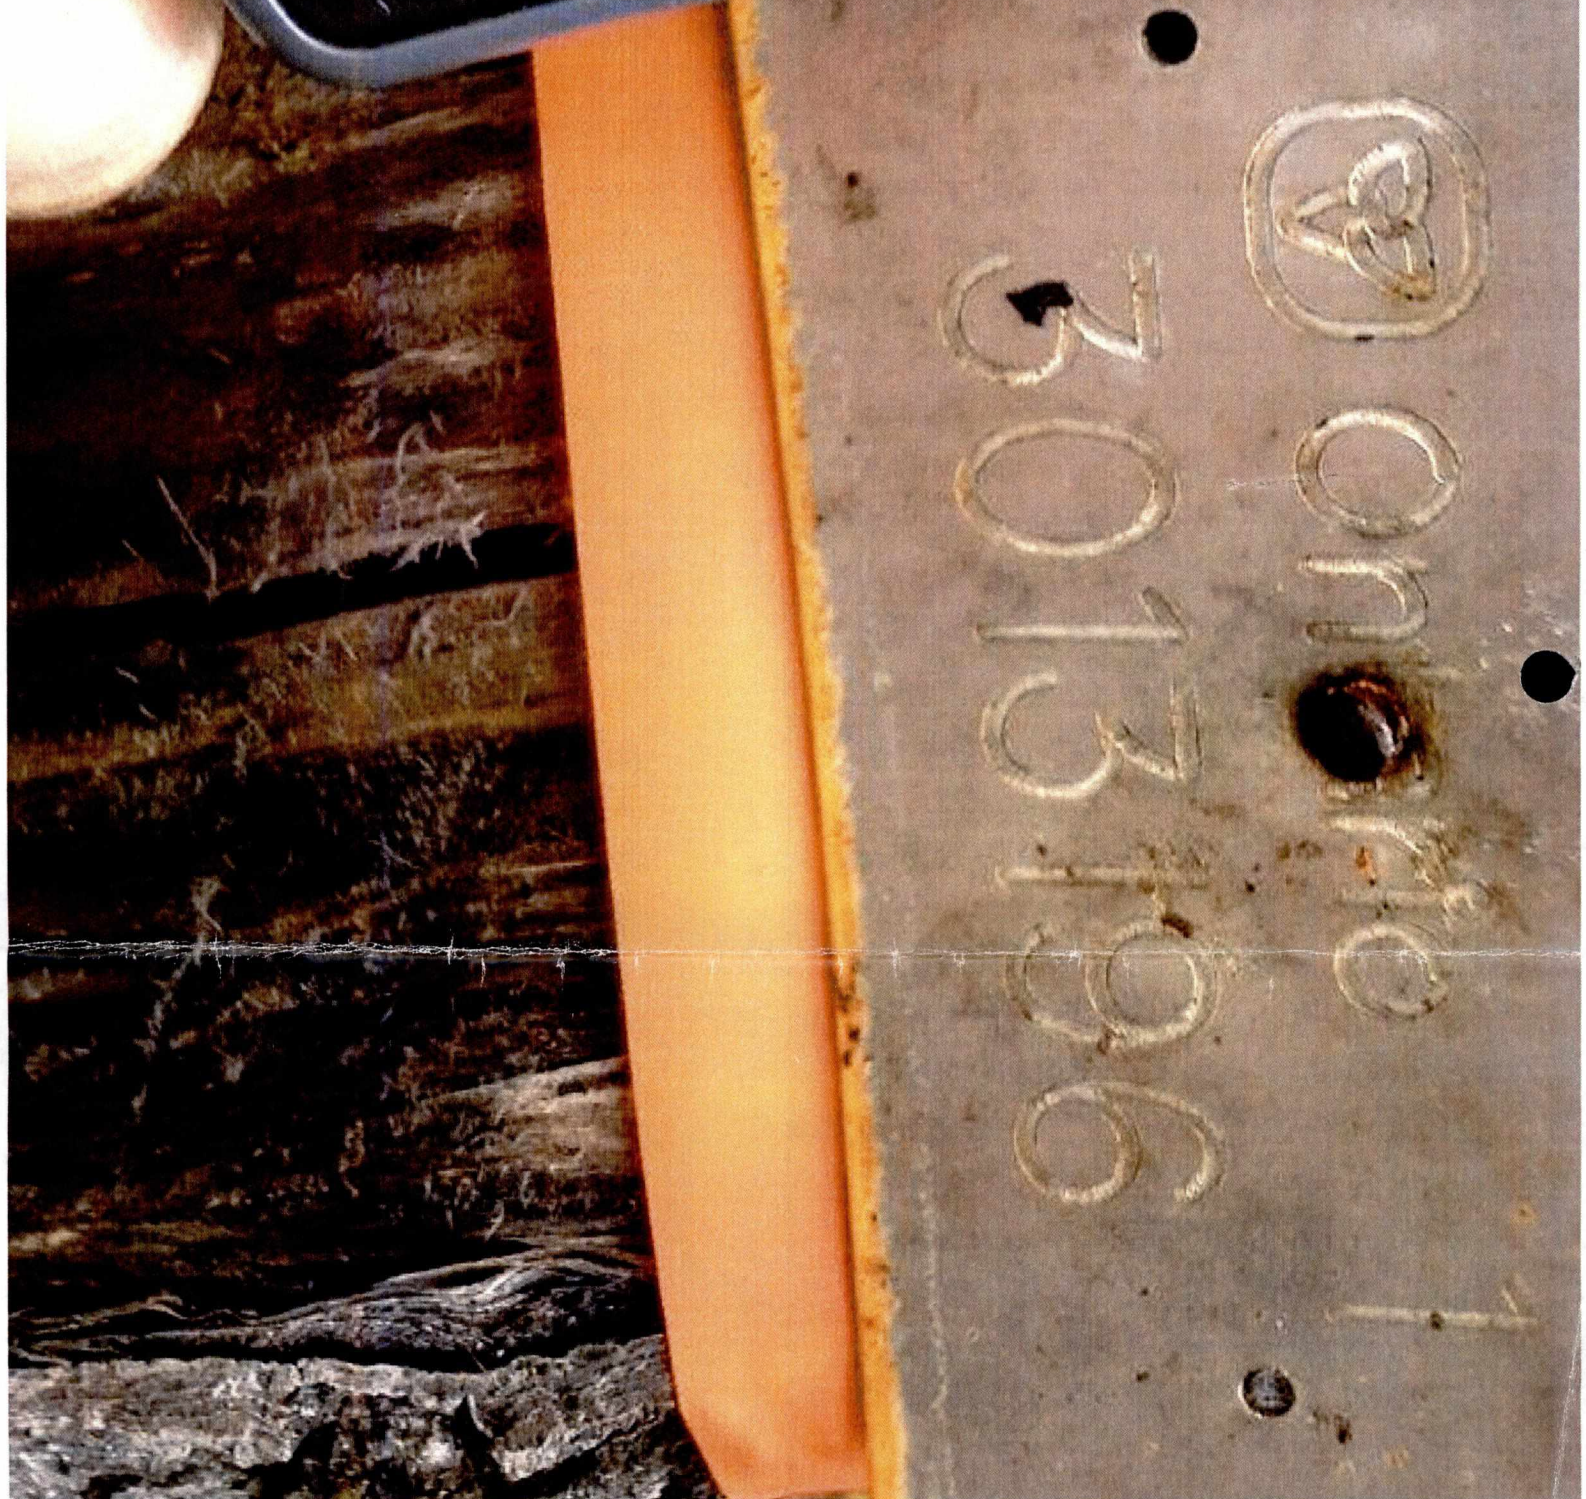

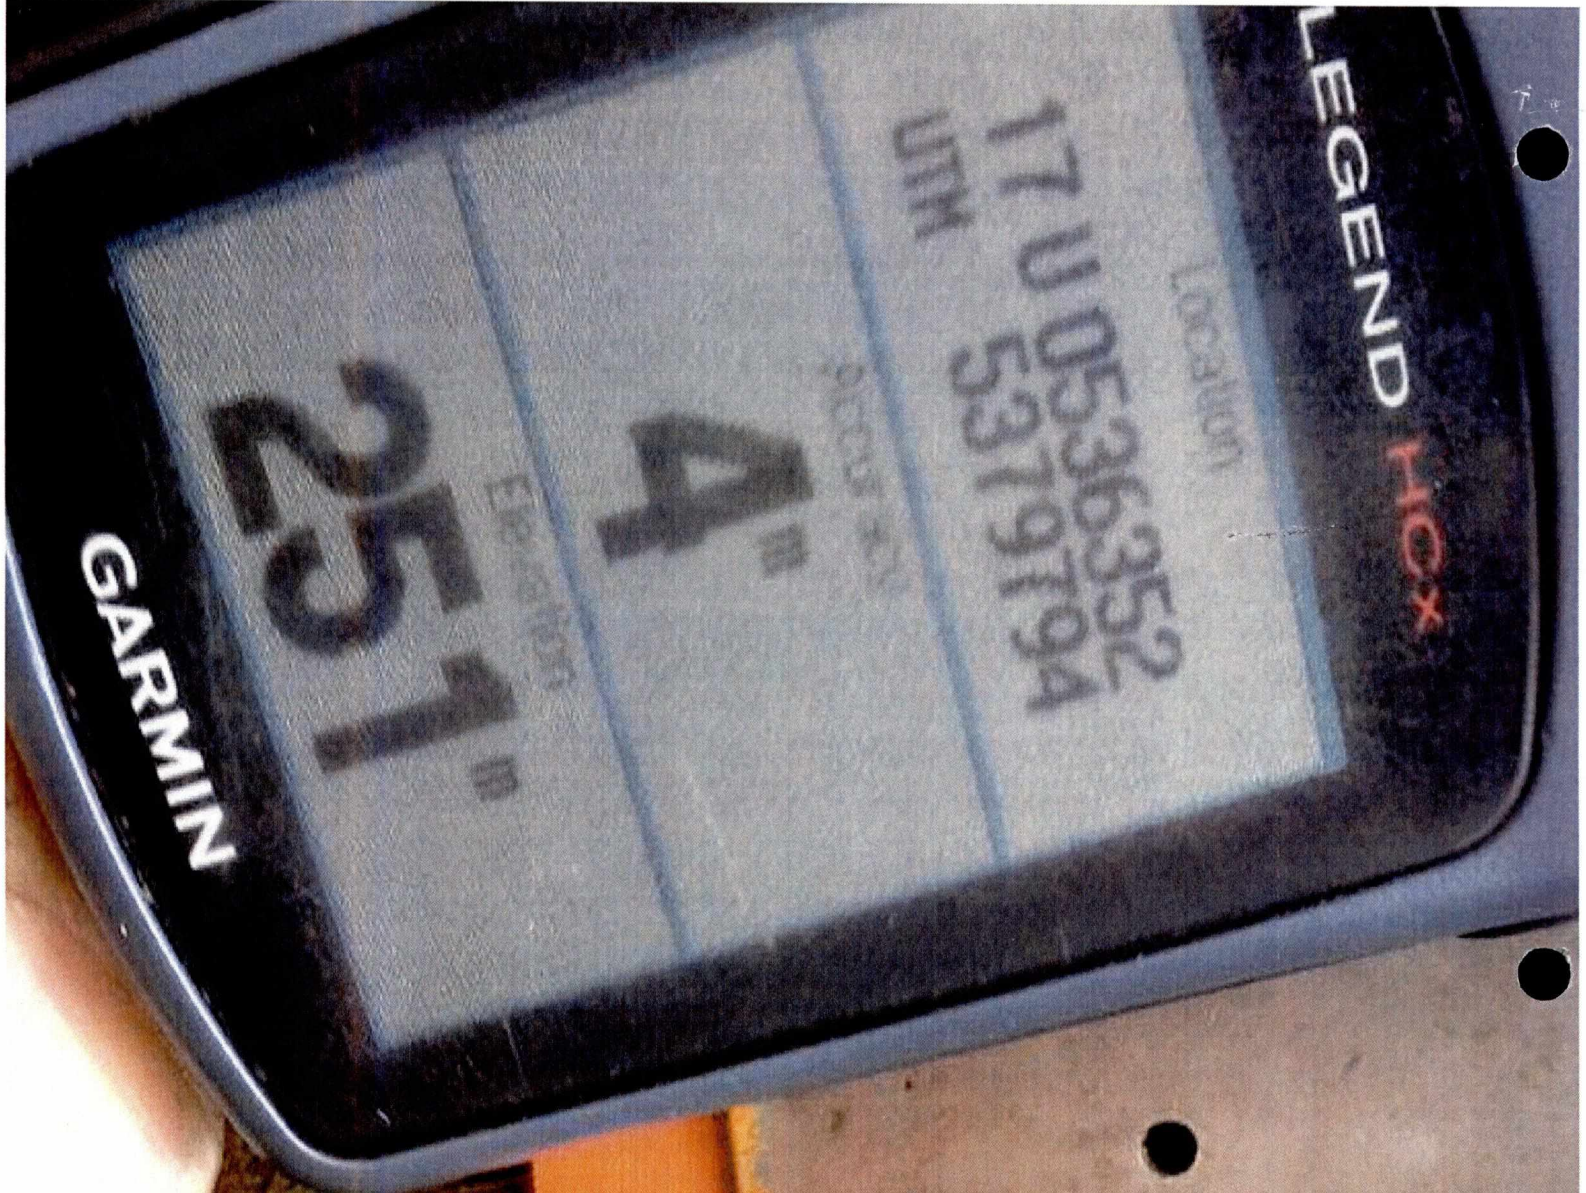

INTRODUCTION: The claim lines for mining claim 3013196, which was staked in December 2009, were located and recut on October 31, 2015.

PROPERTY LOCATION/ACCESS: The claim is located on the Black River, approximately 5km. WNW of the town of Matheson in Carr Township, (Lot 9-Con 3), Ontario. Access to the claim was by canoe for 600m from the landing on Buffalo Road.

PROPERTY STATUS: Claim 3013196 is a 2 unit claim on Crown land and is held entirely in the name of Martyn Harrington (Lic. K22526) of Kirkland Lake, Ontario.

WORK PERFORMED: The entire perimeter of the claim was located, recut and flagged. The claim straddles the Black River, therefore, an extra man was used to help with the many canoe crossings involved during the day. All four corner posts were located and photographed with NAD 83 UTM coordinates. The number 2 and 3 corners are situated at the survey monuments which were documented as well. Please refer to the six photographs attached to this report.
