Hi Doug,

We will be four geologists including myself and we have two trucks. We will be staying at the Golden Eagle Camp.

Can we plan to meet you at Dog Star Gas Station in Matachewan and convoy to the Property together? Would meeting at 8:30am on Saturday May 21 work for you and your partner? We can either drive our trucks, or we can follow you.

Looking forward to meeting you both,

Suzy

Hi Doug,

We had to change some plans to accommodate some work at one of our other properties.
Would you be available May 21 or May 22 to show us around your Property?

My cell number is 604-354-8954 if you need to get in touch..
