Access to claim 4284055

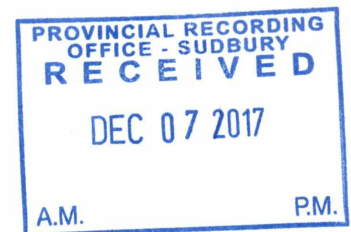

The access begins at the South end of Pollock Avenue in Kirkland Lake which connects with the road to the village of Harvey Kirkland. Once in Harvey Kirkland you take the third road to the right for a short distance and is also a Hydro transmission pole line. Follow the transmission line South for 2076 meters to the #1 post of claim #4284055 (zone 17 573505..E 5330081. N)

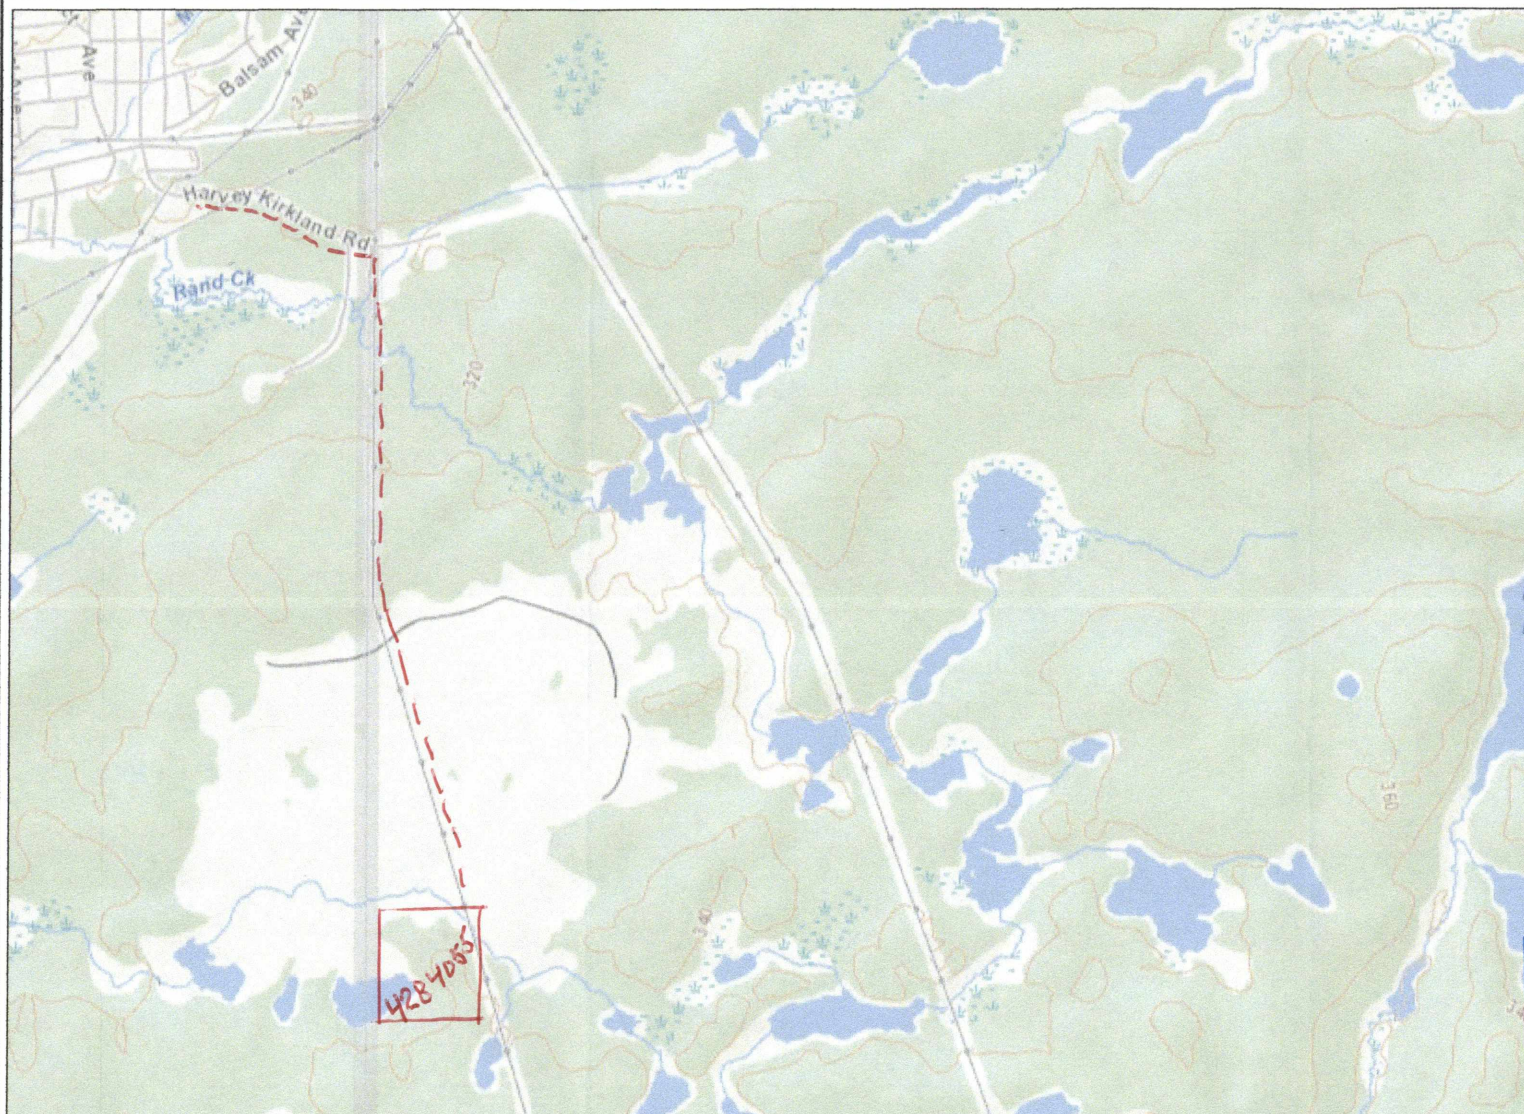

Also 150 meters to the South of claim 4284055 there is the old Dane Copper Mine with a cemented shaft.

My wife and I did the prospecting and sampling of that claim.

As for the geology I believe that it might be volcanics with quartz veins and mineralization !!!

Yvon Gagne
