Dear Sir

In response to your request for a survey report and maps, I am submitting the following information.

1. Map and Description of Samples
2. Breakdown of Assay Costs and Signed Certificates of Assay
3. Breakdown of Expenses Incured to Obtain the Samples and Assay Results

It must be noted that the breakdown of expenses was not originally enclosed, as previously this was not requested. Since no credit was given for these expenses, they were not included. I assume that because you now require this breakdown, part of our expenses will be credited to our assessment work.

Yours very truly
