Dear Ms. Hurst:

Enclosed are receipts for assaying which should have included file 2.10483, file 2.10525 as well as additional unrecorded assay work. You will note there are three receipts for

425.50
782.00
1,069.50

2,277.00 Total or 151.8 days

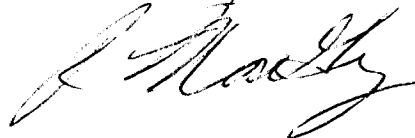

This was partially submitted under file 2.10483 for \$798.75 (53.25 days) which was approved on Nov. 10/87.

A second work report was submitted for \$821.25 (54.75 days) your file 2.10525 but receipts submitted were less than this total amount being the balance of \$1,069.50 or 270.75.

I enclose all three receipts for total \$2,277. (151.8 days) with a third work report for \$659 (43.8 days) being the balance of the total assaying and would ask that this be approved subject to later application to individual claims.

I trust this will sort out these files.

Yours truly
