Gentlemen :

Re : Diamond Drilling  
Davis Township

Attached hereto is a record in duplicate of three Diamond drill holes totalling 83' put down on claim No. S.87120, Davis Township in the Sudbury Mining Division, the property of Alba Explorations Ltd. Suite 402, 100 Adelaide St. West, Toronto, Ontario.

The work was carried out by Global Mine Developers Ltd., 6 Church Street, Mimico, Ontario in November, 1955 under my direction. A Pack-Sack drill was used and core was 7/8"

On behalf of Alba Explorations, this work was satisfactory, and should be applied to claim No. S-87120 under the provisions of working conditions for assessment work (71 days).

Respectfully submitted,

(S. L. Macdonald)
