Dear Sir

MINING LANDS SECTION

RE: 858277 ONTARIO INC

Please be advised that we are in error in our "LABORATORY REPORT" as submitted at Kirkland Lake Mining Office on October 4th, 1990 at which time I inadvertently claimed five assay reports to a total value of \$88.75 as I was in possession of a receipt to that amount at that time.

However, because of your request for a detailed map indicating the location of samples taken from Claim #1112031 and upon checking with the files in our head office I find that only two of these assay reports can be applied to this particular claim.

I therefore, request that my submitted report be amended to read correctly:

I.E. CALCULATION OF EXPENDITURES = $\$35.50 \div 15 = 2.3$ DAYS

I trust the attached maps will assist you.

Thank you.

Yours truly,

Mr. B. Holmes
