ATTENTION: LEONA NADEAU

Dear Leona:

Pursuant to our telephone conversation this morning regarding price to charge out certain company held items for work assessment credits and getting various quotes for rental of items, the following applies:

ITEM - WAJAX MARK 75 - High pressure jet pump

Gords's Rental (Timmins, Ont.) No longer deals with this type of equipment, as it is too costly to maintain. Maintainance costs usually exceeded revenue from rental.

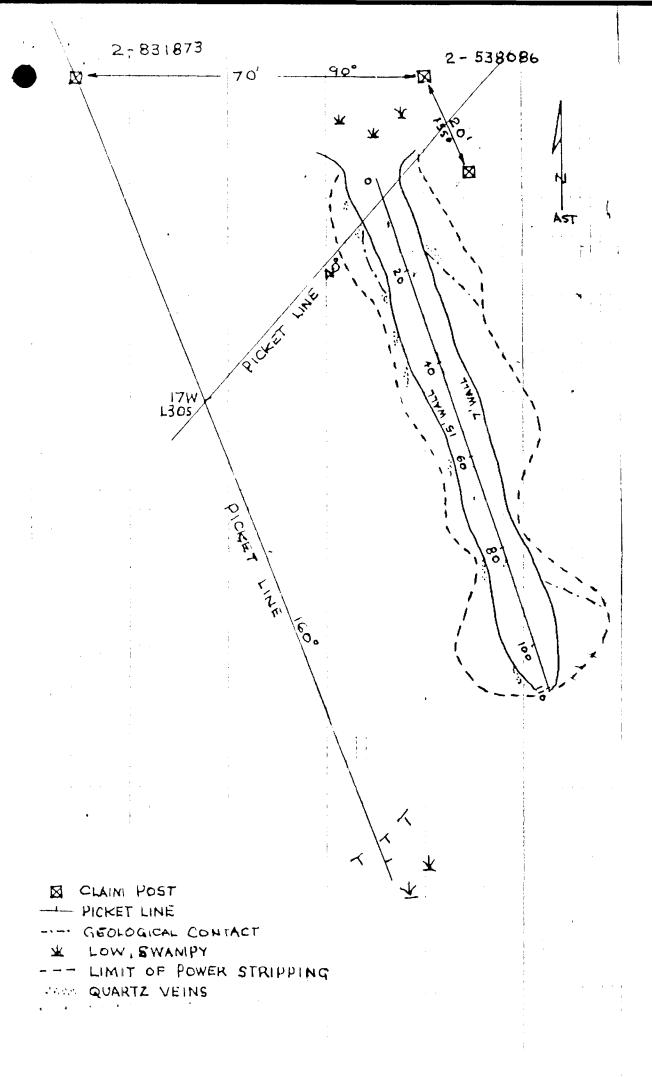

Wajax Industries (Lively, Ont.) Do not rent the Wajax Mark 75 model. Unit is too difficult to operate and mandevre in the field. Base price for pump alone is \$8165.00. Rentals are usually written off over 18 months equalling \$450/mth plus necessary hoses and adaptors. Wajax would not consider renting it for less than I month, but would double the monthly rental for a short term, equalling \$900/mth. Ivan Brown, sales manager, Wajax Industries, Lively, Ont. (telephone 1-705-692-3656) would not put this in writing as they are not in the business of renting this equipment.

As Wajax would only verbally quote an amount per month, and would not even consider a shorter term, we feel that the monthly charge they quoted would be the minimum we could expect to pay for our short term program. The price per day that Blue Falcon Mines is submitting is \$300.00 per day based on the availability of that type of quipment to the exploration industry.

Yours truly,

Maurica M. Espin, Accounting Dept.
