SUBJECT

Samples & Coupons

Enclosed are your assays for gold & silver, which used up the 10 coupons. When using coupons, there is no difference, it takes 1 coupon each per assay. The difference is when you are paying by cash or cheque, you get a discount of \$5.00 if you have a gold & silver run on the sample sample.

We can send your sample back to you collect. Do you want the crushed rejects or the pulverized rejects. It would be cheaper to have just the pulverized rejects returned.

REPLY

We will await your reply before returning them. Enclosed also is a copy of our fees for your convenience.
