Dear Madam:

RE: Data for Assaying submitted on Mining Claim  
P 516435 in the Township of Deloro

---

Please provide the following, in duplicate for  
the above-mentioned survey:

- 1) certificate of analysis showing sample numbers  
and results of assays
- 2) a sample location plan, showing the location  
of each sample taken and the sample numbers,  
The plan should be at a scale not exceeding  
one inch to 400 feet and not less than one  
inch to 100 feet. All claim lines, claim  
numbers, lot and concession numbers, lakes,  
roads, rivers and other important topographic  
features must be included on the plan. In  
addition, the scale and work direction must  
be shown.

Enclosed is a copy of the Requirements for submitting  
Geo-technical Survey Reports for your information.

For further information, please contact Mr. F.W.  
Matthews at (416)965-6918.

Yours sincerely,

S.E. Yundt
