SUBJECT: Re: Final Payment and our earlier fax of Dec 21st.

MESSAGES:

Dear Gaetan:

The outstanding balance with Roseval Silica of \$284,149.65 has been paid in full. As mentioned in our earlier correspondence we chose to exercise our rights under the letter of credit facility and have collected the outstanding balance in that fashion. The funds were transferred into our account in Timmins on Jan 3rd 1990 but since I was on vacation at the time this is the earliest I could get back to you with confirmation.

SKW has been notified that payment of any outstanding funds due to Roseval should be made directly to Roseval. ( See attached fax )

Sincerely yours.
