MINING LANDS SECTION

Dear Mrs. St. Jules

Re: Geochemical Work Report -- MacMillan Energy Corp. Ltd.

Further to your letter of April 15, 1986, I have spoken to Mr. Kinvig at the Mining Lands Section in Toronto and he has informed me that sample preparation for the laboratory is an acceptable expense. He suggested that I make a revised work report in this regard and send it to you and send the receipted invoices to him. In the meantime, he said he would speak to you on this matter.

Enclosed you will find a revised work report with expenditures totalling \$40,364.25. I have reduced the original amount to deduct the transportation and cost of bags.

I trust this will prove satisfactory and apologize for the confusion and trouble.

Yours very truly,

H. J. BERGMANN, P. Eng.
