

THESE TERMS GOVERN YOUR USE OF THIS PRODUCT

Your use of this electronic information product (“EIP”), and the digital data files contained on it (the “Content”), is governed by the terms set out on this page (“Terms of Use”). By opening the EIP and viewing the Content , you (the “User”) have accepted, and have agreed to be bound by, the Terms of Use.

EIP and Content: This EIP and Content is offered by the Province of Ontario’s *Ministry of Northern Development, Mines and Forestry* (MNDMF) as a public service, on an “as-is” basis. Recommendations and statements of opinions expressed are those of the author or authors and are not to be construed as statement of government policy. You are solely responsible for your use of the EIP and its Content. You should not rely on the Content for legal advice nor as authoritative in your particular circumstances. Users should verify the accuracy and applicability of any Content before acting on it. MNDMF does not guarantee, or make any warranty express or implied, that the Content is current, accurate, complete or reliable or that the EIP is free from viruses or other harmful components. MNDMF is not responsible for any damage however caused, which results, directly or indirectly, from your use of the EIP or the Content. MNDMF assumes no legal liability or responsibility for the EIP or the Content whatsoever.

Links to Other Web Sites: This EIP or the Content may contain links, to Web sites that are not operated by MNDMF. Linked Web sites may not be available in French. MNDMF neither endorses nor assumes any responsibility for the safety, accuracy or availability of linked Web sites or the information contained on them. The linked Web sites, their operation and content are the responsibility of the person or entity for which they were created or maintained (the “Owner”). Both your use of a linked Web site, and your right to use or reproduce information or materials from a linked Web site, are subject to the terms of use governing that particular Web site. Any comments or inquiries regarding a linked Web site must be directed to its Owner.

Copyright: Canadian and international intellectual property laws protect the EIP and the Content. Unless otherwise indicated, copyright is held by the Queen’s Printer for Ontario.

It is recommended that reference to the Content be made in the following form:

Watts, Griffis and McOuat and Ontario Geological Survey 2010. Industrial mineral assessment and sampling of mica in central and eastern Ontario: testing results; Ontario Geological Survey, Miscellaneous Release—Data 254.

Use and Reproduction of Content: The EIP and the Content may be used and reproduced only in accordance with applicable intellectual property laws. *Non-commercial* use of unsubstantial excerpts of the Content is permitted provided that appropriate credit is given and Crown copyright is acknowledged. Any substantial reproduction of the Content or any *commercial* use of all or part of the Content is prohibited without the prior written permission of MNDMF. Substantial reproduction includes the reproduction of any illustration or figure, such as, but not limited to graphs, charts and maps. Commercial use includes commercial distribution of the Content, the reproduction of multiple copies of the Content for any purpose whether or not commercial, use of the Content in commercial publications, and the creation of value-added products using the Content.

Fax: (705) 670-5770

Users of OGS products are encouraged to contact those Aboriginal communities whose traditional territories may be located in the mineral exploration area to discuss their project.

Miscellaneous Release—Data 254

Industrial Mineral Assessment and Sampling of Mica in Central and Eastern Ontario: Testing Results
by Watts, Griffis and McOuat and Ontario Geological Survey

This publication can be downloaded from
http://www.geologyontario.mndm.gov.on.ca/mndmaccess/mndm_dir.asp?type=pub&id=MRD254

This release contains the testing results for an assessment of mica in central and eastern Ontario. The data were originally released in 2002 in Microsoft® Word (.doc) and .pdf formats accompanying Open File Report (OFR) 6086 and have not been modified since the original release. Some of these data, where appropriate, are also available as Microsoft® Excel® 2003 (.xls) spreadsheets, which have been reformatted for consistency. Sample location information is given in UTM Zone 17 or 18 co-ordinates, North American Datum 1927 (NAD27). The files are available on 1 CD.

This release is organized into 3 folders, as follows:

1. Appendixes (partial) B to H - spreadsheets
2. OFR 6086 original release of data
3. original OFR 6086

- 1. Appendixes (partial) B to H - spreadsheets.** This folder contains 7 Microsoft® Excel® (.xls) spreadsheets representing some of the data presented in Appendixes B to H of Open File Report 6086. Several spreadsheets contain multiple worksheets. Note, not all data in the tables within Appendixes B to H were suitable for transfer into this format.
- 2. OFR 6086 original release of data.** This folder contains the information present on the CD-ROM in the original release of Open File Report 6086. There are 2 subfolders containing Appendixes B to H in 2 different formats (7 .pdf files and 7 Microsoft® Word .doc files).
- 3. original OFR 6086.** The text portion of Open File Report 6086, as a .pdf file, accompanies the data.
