

Statement of Completion for a Category B Project

Class Environmental Assessment for Activities of the Ministry of Northern Development and Mines under the Mining Act

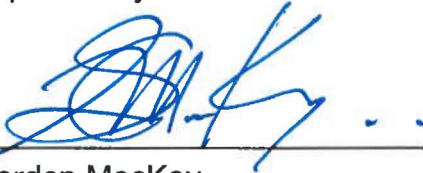

**RE: Bulk Sample Permission and Disposition Permission
Robert Gerald Komarechka
Black Rock Project, Mining Claim 4254051
Corporation of the Municipality of Mattawan, District of Nipissing**

The Ministry of Northern Development and Mines (MNDM) completed its environmental assessment for Robert Gerald Komarechka's proposal to remove a bulk sample of bedrock for high strength aggregates and dimension stone, and to dispose of the minerals removed on June 28, 2013.

The Category B screening, consultation and project review was carried out in accordance with the *Class Environmental Assessment for MNDM's Activities under the Mining Act* (Class EA).

The Ministry of Natural Resources requested that MNDM contact the baitfish licensee and the registered trapper to comment on the proposed activity. Both were contacted, and had no concerns with the bulk sample.
