

Notice of Opportunity to Provide Input on a Category C Project

Class Environmental Assessment for Activities of the Ministry of Northern Development and Mines under the Mining Act

South Bay Mine Remediation Project

The Ministry of Northern Development and Mines (MNDM) invites you to comment on the MNDM's proposal to rehabilitate the former South Bay mine site (figure 1).

This proposed Category C project is being carried out in accordance with the Class Environmental Assessment for MNDM's Activities under the Mining Act (Class EA).

Figure 1: Location Map

The project documentation for this proposed project is available at <http://www.mndm.gov.on.ca/en/mines-and-minerals/mining-act/class-environmental-assessment-activities/south-bay-mine-remediation>. You are invited to provide input and express any concerns about this proposed project. Comments must be received by **February 23, 2015**.

For more information, or to submit comments on the project, please contact:
