A detailed topographic map showing a network of lakes, rivers, and streams. The map includes contour lines and property boundaries. Handwritten numbers such as 1210305, 1224776, and 1224774 are placed over specific locations, likely marking survey points or property identifiers. The map also features several place names like Riverview, Spook Lake, Norway Lake, and various smaller lakes and bays.

Little Gull Lake (M.2391)

Little Gull Lake (M.2391)

This map shows the intricate coastline of Little Gull Lake and its numerous inlets and islands. A grid system is overlaid on the lake, with labels for various locations such as Riverview, Spook, Norway, Garnet Bay, Viking Lake, and Divis Lake. The map also includes labels for Dark Lake, Seahorse, Turning L., Core L., Timin L., Bolo L., Knute L., Redpoint, and several Serpent bays. The Rainy River is shown flowing through the area. A large grid of numbers is present in the center-right portion of the map, likely representing a survey or mapping reference. The map is bounded by latitude lines from 49°00' to 49°07'30" and longitude lines from 29° to 16°.
