SCALE : 1 INCH = 40 CHAINS

The scale bar is a horizontal line divided into segments by vertical tick marks. Above the line, numerical values are placed at regular intervals: 0, 500, 1000, 2000, 4000, 6000, and 8000. Below the line, two sets of labels are provided: 'FEET' and 'METRES'. The 'FEET' label is positioned above the first segment, and the 'METRES' label is positioned below the first segment. The segments are approximately equal in length, representing 40 chains or 660 feet (200 metres).
