QUILL

On 11/11/2019

The image shows a large, tilted grid of handwritten numbers, likely a calendar or ledger page. The grid is composed of many small squares, each containing a number. The numbers are arranged in rows and columns, with some numbers appearing to be dates or specific identifiers. The grid is tilted at an angle, and the handwriting is in a cursive style. Some numbers are circled, and others are crossed out. The grid is divided into several sections by lines, and there are some additional markings and numbers outside the main grid.
