

MLAS Release 2.5.28.1 System Upgrade Alert

As part of our ongoing efforts to bring you one of the most comprehensive mining lands management systems in the world, the Ministry of Energy and Mines regularly tests and installs updated versions of the Mining Lands Administration System (MLAS).

The following MLAS applications and functions have been improved or implemented:

New Features:

MLAS Bulletin Board Enhancement

1. Notifications

This section displays automatically generated notices from MLAS, including confirmations, impending forfeiture alerts, claim activations, and more. The five most recent notices will always appear on your homepage.

- **View All Notifications:** Click this to access all notices sent to you within the past three months.
- **Filtering Options:** Use the filter tool to search by **Date** or by **Subject** to locate specific items.
- **Managing Notifications:** You can delete notifications either individually or in batches of 50 per page. Please be advised, emails for these types of announcements will no longer be sent.

2. Announcements

This section features important updates and information posted by Ministry staff, such as MLAS outages, Fact Sheets, and other relevant notices. The five most recent announcements will always appear on your homepage.

- **View All Announcements:** Click to access all announcements from the past three months.

Mining Lands Administration System (MLAS)

FACT SHEET

SEPTEMBER 2025 R.2.5.28.1

- **Filtering Options:** Use the filter to search by **Date** or by **Subject** to find specific items.
- **Managing Announcements:** Announcements can be deleted individually or in batches of 50 per page.

Update: Ontario Addresses for Service Requirement Removed

- Individuals and Corporations are no longer required to provide an Ontario Address for Service when entering a mailing address outside of Ontario.
- **Note:** Ontario Address for Service previously entered, have been removed from MLAS. **If required**, please update your mailing/billing address through Update Client Profile, found under the Client Management Tab.

Please note: Several internal administrative functions and mapping operation improvements have been made to help Ministry staff to provide better service.

More Information

For any questions about MLAS, please call the Mining Lands Section at 1-888-415-9845 or email pro.ndm@ontario.ca.
