04-Feb-26

The GIS data and database files for Ontario Mineral Inventory (OMI), Ontario Assessment File Database (OAFD), and Ontario Drill Hole Database (ODHD) datasets are now provided as separate files:

- OMI_gis.zip, OAFD_gis.zip and ODHD_gis.zip contain GIS data in shapefile format
- OMI_db.zip, OAFD_db.zip and ODHD_db.zip contain a database in Microsoft Access format
